

## LAGUNA CREEK HIGH SCHOOL MARCHING BAND & COLOR GUARD

### Pledge of Donation Form 2011-2012

***Exciting competitions, skillful marching, quality music,  
great friends, fun activities and helpful parents  
combine to create an unforgettable experience for everyone  
involved with the Laguna Creek Band and Auxiliary***

**Every family** needs to contribute some of their time, fundraising assistance, and financial resources to support our enthusiastic students for an unforgettable and rewarding experience that builds life-long memories for students and families alike!

#### **LCHS BAND FINANCIAL FACTS:**

It will cost over \$400 per student to offer the award-winning Laguna Creek High School Band and Color Guard programs for the 2011-12 school year. These programs include Leadership Training, the All-Member Band Camp, Super Saturday practices, Parade and Field Show competitions (Band Reviews), Winter Guard competitions, and Winter Percussion competitions along with Winter and Spring Concerts, Jazz concerts and competitions, football games, and basketball games. The band must also purchase and repair equipment, purchase musical scores, and provide coaching stipends. In order to meet this fundraising goal and to subsidize the cost of the program, we need a **minimum donation of \$400 per student** from each family. Each student who participates in Winter Guard and Winter Percussion will be asked to donate an additional \$200.

#### **For your minimum donation of \$400, consider this....**

- Your student will receive **10 months** of outstanding musical instruction, including **over 100 HOURS** of instruction above and beyond their regular in-school music curriculum.
- During marching season, there are **5 instructors**, as well as Laguna Creek alumni, teaching and guiding our students during practices and competitions. Together these instructors have **over 30 years** of marching band and color guard experience among them!
- Your student will be fed nutritious meals during band camps and competitions, including breakfast, dinner, and multiple snacks on our longest competition days!
- Transportation is provided to and from competitions and field trips.

#### **Now, compare your \$400 minimum donation amount to...summer music camp!**

- Donner Mine music camp costs **\$450 per session** and only lasts **six days**.
- University of the Pacific (UOP) music camp costs between **\$595-\$650 per session** and only lasts **one week**.

Consider fully supporting the Laguna Creek High School Bands by making the suggested **minimum pledge of \$400**. If finances permit, any additional amount beyond this amount is greatly appreciated.

We need to receive this completed Pledge of Donation Form by **September 1, 2011**, so that we can ensure the financial viability of our planned programs before significant expenses are incurred. Please indicate on the following page your intended plan for payment.
