### Welcome to the 2023-2024 Band and Guard Program!

Dear Band & Guard Families,

The LCHS Band Booster Club board is excited to welcome you to the 2023-2024 band and guard program. Whether you are new to the program or a returning family, the booster club leadership is ready to make this a fantastic year for all students.

This packet of materials will help you and your student/s make a smooth transition into this year's program. Included are several documents required by the school and/or district. Please complete and submit paperwork by Tuesday, July 25<sup>th</sup>. This packet also includes documents outlining the financial support needed to ensure that our students continue to receive the highest quality experiences resulting in their academic, musical, and professional growth. Family involvement is vital to a successful band and guard program. There are a variety of ways in which you can volunteer to support the program. At our upcoming booster meetings, we will discuss additional information regarding volunteering and fundraising opportunities.

The primary communication is through The Voice, which is our weekly email (usually sent on Monday evening). We also have a website that contains general information and links to resources. <https://www.thelchsband.org>

Instructions to access the various communication platforms are included in this packet. All parents and students should enroll in each of the communication platforms.

Here are a few upcoming important dates to mark on your calendars:
